

Building a shelter

Name: _____

Date: _____

Ring the correct answers to the questions.

- Which word is nearest in meaning to 'original'?
first last nearest oldest
- Which part of Brian was injured?
legs back feet chest

Answer each of the following questions with a full sentence.

- What had wrecked the campsite?

- How long did it take to get the fire going?

- What did Brian need to build?

- What did Brian make with pine boughs?

- What do you think happened next? Use the lines below to jot down some ideas. As these are notes they do not need to be written in sentences.

Notes for teachers

Read the passage with the pupils and check they understand any unfamiliar words. Point out that the last task should be answered in note form. An extension activity would be to ask pupils to re-read the text and then draw what they think the area looked like.
