Notes for teachers

Help the children to read this passage and ensure that they understand the story that Robbie has travelled back in time. How do they think this might have happened? When considering the last question encourage the children to reread the appropriate paragraph very carefully and to write the answer in their own words – in this way they are unlikely to miss anything. When they are ready to answer the question they should write an introductory sentence to each part, such as *Robbie could hear the following things*.
