**Legend** \_\_\_\_\_

---

---

8. Write a definition for the word 'quest'.

**Quest** \_\_\_\_\_

### Notes for teachers

The first five questions need full sentences as answers. These should be detailed and correctly punctuated and spelled and should include evidence from the text. The final two questions ask for definitions. Pupils should not use dictionaries to do these, though you may wish to refer to a dictionary later when discussing the ideas that pupils have offered.
