Notes for teachers

Help the children to read this passage and ensure that they understand that Robbie has travelled back in time. Some children may not be aware of the work of the National Trust and the fact that the Trust owns many historical properties throughout the country. When considering the last question encourage the children to reread the whole passage, perhaps underlining or highlighting the differences they found. When they are ready to answer the question they should write an introductory sentence such as *Robbie found the following differences between 1875 and the present day.*
