

Learning French

Name: _____ Date: _____

Answer the questions using full sentences.

1 What country was Tom visiting?

2 How had the rock-pools been created?

3 What could Tom see in one of the rock-pools?

4 What did the girl look like?

5 What was the girl's name?

6 Describe a person in your class. What does she or he look like?

Notes for teachers

Help the children to read the passage slowly and carefully, ensuring that they understand the story. Discuss the questions with them and encourage them to work out their answers orally before putting anything down on paper. Do they remember to write in complete sentences, using appropriate punctuation? Talk about the final question, helping the children to identify features of other pupils that they can describe. Obviously a clear rule must be that there should be no negative statements about the subject.
