

Name: _____ Date: _____

Answer the questions using full sentences.

1 Describe Claire. Think about the way she looks, the things she says, the way she makes Tom feel.

2 Describe a person you know well, but not someone in your class.

Notes for teachers

Ask the children to read the passage slowly and carefully. Discuss the two questions with them – encourage them to find evidence from the passage to help them to develop a description of Claire. Can they use similar evidence to describe someone they know? Do they remember to write in complete sentences, using appropriate punctuation?
